DETAILED ACTION

Claim Objections

Claim 3 is objected to because of the following informalities: in line 1 of claim 1, after "claim 1" there appears to be missing a transition word such as "having", "wherein" etc. Please review; appropriate correction is required.

Reason for Allowance

The following is an examiner's statement of reasons for allowance: Johnson, US No. 4,195,492 is considered to be the closest prior art of record.

Johnson discloses an improved jewelry finding comprising a deformable wire shaft and having first and second free ends and a principal axis. The free end has two fixed smaller enlargements.

Johnson fails to disclose the fixed smaller enlargements at each end being sufficiently small to pass through the opening in the earlobe

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Claims 1 and 2 are allowed.
